### IMPORTANT

#### Kindergarten Registration

The 2026-27 Kindergarten registration begins Jan 26th. Parents are encouraged to register their children on-line, however, they may still register "in person" at the school. It is important to register early as it allows us to plan for next year's staffing. Please spread the word.

#### School of Choice

School of Choice applications will open Jan 26th with a deadline of March 11th. If you wish to send your child to a school in the District that is not their catchment school you must go through this process. As we offer Grade 7 at Likely, school of choice includes our Grade 6 students who wish to go to Grade 7 at Colummeetza. Remember that if school of choice is granted you may be responsible for transportation to/from school, as laid out in the application. Applications will be available to complete on-line on the District Website.
