JUNE 2026

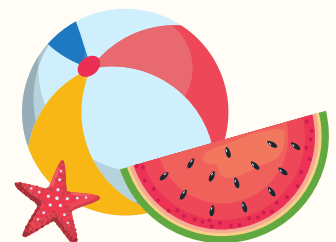

Mexican Dinner Night

This is a fundraiser the PAC is organizing. We are very excited about this and the opportunity to raise money for the PAC to do so many fun things with the kids, like all our fieldtrips and fun days. However, This is more than a fundraiser for the students, they will be performing their music and because of this it will be reported on in this terms report cards. We ask that all students must attend the fundraiser on June 18th. If your family is unable to attend please arrange to drop your child off and pick them up so that they can uphold their obligations. We also ask that tickets be purchases ASAP as this helps for planning. If parents (or family) are unable to attend please send the tickets back so that we can use them to sell to other community members. Thank you and I really hope to see all family there as this is a fun experience for the kids and a lot of work is being put on by students, staff, and PAC members.
